

EShib -- Smart Chain Trust Wallet Purchase Process

How to buy Smart Chain on Trust wallet?

1.- Being in our Trust Wallet wallet, we have to enter the buy section.

2.- Now we must select what we are going to buy, in this case it is “Smart Chain (BNB)”, for this we click on Smart Chain.

3.- It is time to indicate the amount of money we want to invest, the minimum is € 50 and by default € 150 appears. We can put the amount we want, for example € 2,000. To make the change in the amount of money to invest, we will use the numeric keyboard

4.- In the next section, we must do is change the "third party provider" for this we click exactly where the arrow indicates, which in this case is pointing to "MoonPay" and select "simplex", as reflected in the successive images. It can really be done with any provider, but we think it is the easiest to use, you can use the one you like.

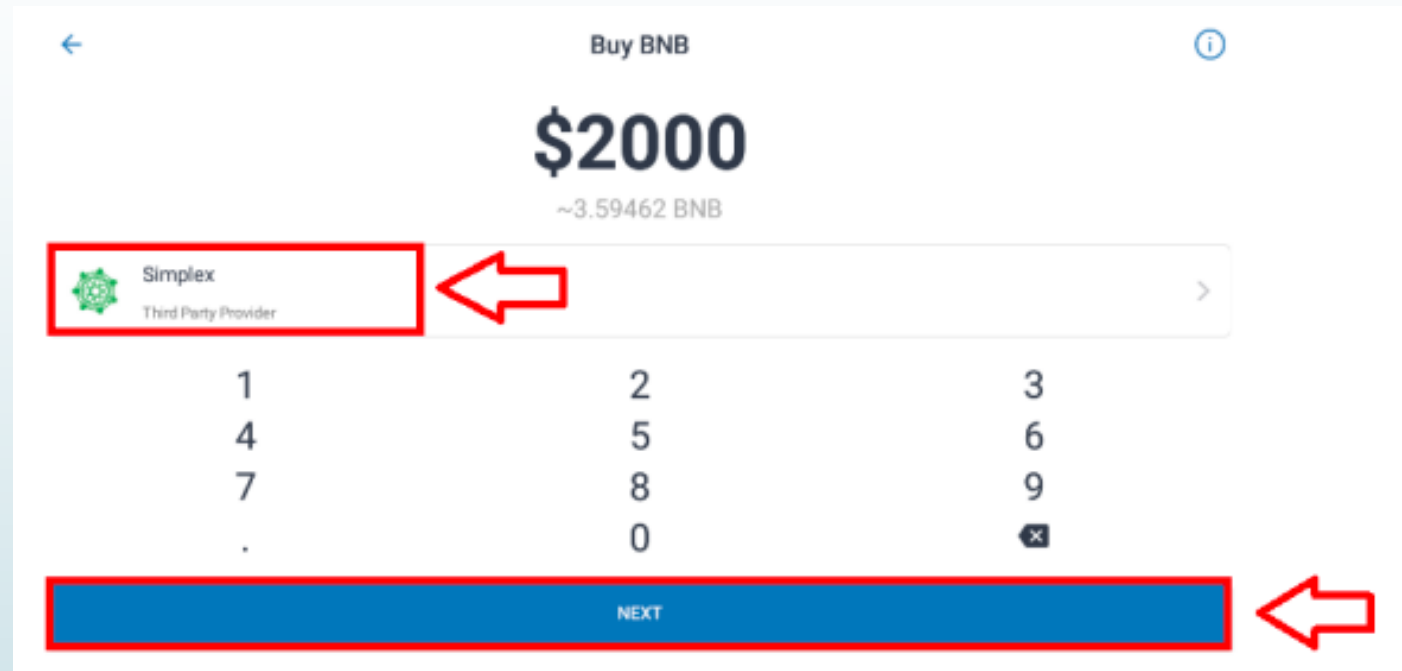

The screenshot shows a mobile application interface for buying BNB. At the top, it says "Buy BNB" with a back arrow on the left and an info icon on the right. Below this, the amount "\$2000" is displayed in large font, with "~3.773 BNB" underneath. A dropdown menu is open, showing "MoonPay" as the selected "Third Party Provider". A red box highlights the MoonPay selection, and a red arrow points to it from the right. To the right of the dropdown is a "Best rate" button with a right arrow. Below the dropdown is a numeric keypad with digits 1-9, 0, and a delete key (X). A blue "NEXT" button is positioned below the keypad. At the bottom, a list of providers is shown:

Provider	Rate
MoonPay	0,273 BNB
Ramp	0,267553 BNB
Simplex	0,261288 BNB

The Simplex provider is highlighted with a red box, and a red arrow points to it from the right. The MoonPay provider is also marked as "Mejor tasa" (Best rate).

5.- We must make sure that the change has been carried out and that now in "third party provider" "Simplex" appears and click on next.

6.- Clicking on next will take us to the payment page, where we must put our credit / debit card in order to make the purchase. This section is personal and nothing will be explained in it.
